

THIRD JOINT MEETING BRESCIA COLUMBIA NY ON KIDNEY DISEASES

BRESCIA, ITALY
JUNE 28/29 2024

28/06/2024

02.00 PM **GREETINGS AND WELCOME**

02.30 PM **THE KIDNEY IN THE CONTEXT OF SYSTEMIC DISEASES**

Moderatori: C. Ponticelli – D. Santoro

1. New treatment options in Lupus Nephritis D. Jayne
2. The evolving concept of MGRS F. Pagni
3. New treatment options in DKD: from SGLT2i through MRAs to the GLP1-RA (and beyond?) G. La Manna
4. New therapeutic approaches in AAV F. Alberici

04.10 PM Break

04.30 PM **PRIMARY GLOMERULONEPHRITIS**

Moderatori: A. Pani – M. Vivarelli

- Emerging treatments in IgA nephropathy Brad Rovin
- C3 nephropathy: what are we dealing with? M. Vivarelli
- Membranous Nephropathy: is there room for improvement? F. Mescia

05.45 PM **BEST ABSTRACT AWARD**

06.00 PM **LECTIO MAGISTRALIS**

Genomic Medicine and its Implications for Therapeutics A. Gharavi

06.30 PM End of the Session

29/06/2024

09.00 AM **GENETICS**

Moderatori: A. Ong – M. Gennarelli

- Do all collagen variants cause glomerular diseases? R. Torra
- Can studying the abnormal intracellular trafficking in genetic kidney diseases inform the therapy? From ADTKD to Fabry disease L. Rampoldi
- Genetics of Focal Segmental Glomerulosclerosis S. Sanna Cherchi
- Genetics of IgA Nephropathy K. Kiryluk
- The many faces of the HNF1b mutation C. Izzi

11.10 AM Break

11.30 AM **KIDNEY TRANSPLANT**

Moderatori: U. Maggiore – G. Castellano

- Recurrence of the nephropathy after kidney transplantation: focus on IgAN – MN – FSGS and aHUS G. Castellano
- Novel therapies for desensitization and antibody mediated rejection F. Vincenti
- Biomarkers in kidney transplantation: is it primetime? F. Diekmann
- How to manage a failing transplant: from immunosuppression management to the dialysis choice N. Bossini

01.00 PM **LUNCH SYMPOSIUM** – I want to go home

Introduzione: F. Alberici, Moderatore: P. Fabbrini

- Haemodialysis: S. Possenti
- Peritoneal Dialysis: V. Vizzardi

02.00 PM **ADPKD: AN AFTERNOON FOR PATIENTS WITH SOME HELP FROM THE EXPERTS**
JOINT SESSION WITH AIRP

- Pathogenesis of ADPKD A. Boletta
- ADPKD – Achieving the patients' life goals A. Ong
- Discussion
- ADPKD – The therapeutic alliance – patients M. Mulè, M. Appiani, F. Valerio, L. Econimo, R. Cortinovia, L. Massella, I. Capelli, C. Izzi, F. Alberici, F. Scolari, Luisa Sternfeld

04.00 PM End of the Session

RELATORI

Alberici Federico	-	Brescia
Appiani Miriam	-	Brescia
Boletta Alessandra	-	Milano
Bossini Nicola	-	Brescia
Capelli Irene	-	Bologna
Castellano Giuseppe	-	Milano
Cortinovis Roberta	-	Brescia
Diekmann Fritz	-	Barcellona
Econimo Laura	-	Brescia
Fabbrini Paolo	-	Monza
Gennarelli Massimo	-	Brescia
Gharavi Ali	-	New York U.S.A.
Izzi Claudia	-	Brescia
Jayne David	-	Cambridge UK
Kirylyuk Krzysztof	-	U.S.A.
La Manna Gaetano	-	Bologna
Maggiore Umberto	-	Parma
Massella Laura	-	Roma
Mescia Federica	-	Brescia
Mulè Marica	-	Brescia
Ong Albert	-	Sheffield UK
Pagni Fabio	-	Milano
Pani Antonello	-	Cagliari
Ponticelli Claudio	-	Milano
Possenti Stefano	-	Brescia
Rampoldi Luca	-	Milano
Rovin Brad Harris	-	Columbus U.S.A.
Sanna Cherchi Simone	-	New York U.S.A.
Santoro Domenico	-	Messina
Scolari Francesco	-	Brescia
Sternfeld Pavia Luisa	-	Milano
Torra Roser	-	Barcellona
Valerio francesca	-	Brescia

Vincenti Flavio - New York U.S.A.
Vivarelli Marina - Roma
Vizzardi Valerio - Brescia

LUOGO DEL CONGRESSO

Scuola di Medicina, Università di Brescia
Viale Europa, 11 • 25123 Brescia • Italia

PRESIDENTE DEL CONGRESSO

Francesco Scolari, Università degli Studi di Brescia, Italia

COMITATO ESECUTIVO

Federico Alberici, ASST Spedali Civili di Brescia, Italia
Claudia Izzi, ASST Spedali Civili di Brescia, Italia

COMITATO SCIENTIFICO

Federico Alberici, ASST Spedali Civili di Brescia, Italia
Ali Gharavi, Columbia University, New York, USA
Claudia Izzi, ASST Spedali Civili di Brescia, Italia
Federica Mescia, ASST Spedali Civili di Brescia, Italia
Francesco Scolari, Università degli Studi di Brescia, Italia
